

## MAINE EZ PAY

You can now pay your Maine income tax withholding electronically at [www.maine.gov/revenue/netfile/ezpay.htm](http://www.maine.gov/revenue/netfile/ezpay.htm). Electronic payments eliminate the necessity of filing Forms 900ME (Employer Payment Voucher for Maine Income Tax Withheld). Maine EZ Pay is an on-line application that allows Maine taxpayers to make payments on-line, quickly and easily. Almost any type of tax payment can be made, including business tax payments, such as withholding and unemployment, or sales tax. To avoid having to make payments earlier than necessary, payments may be scheduled in advance and will automatically be withdrawn on the payment date the taxpayer selects. Taxpayers must preregister on-line. Maine Revenue Services accepts both ACH credit method and ACH debit method payments for income tax withholding. Both ACH payment methods require applications to participate. Taxpayers with annual withholding liabilities of \$200,000 or more must pay electronically. Payroll processing companies must remit electronically for all clients, regardless of whether those individual clients are mandated to pay electronically. A payroll processing company may request a waiver from this requirement from the State Tax Assessor. See Title 36 M.R.S.A. § 193 and MRS Rule 102 for more information about these requirements. Maine Revenue Services also accepts voluntary participants into its EZ Pay program. There are no payment minimums.

**ACH Credit.** A taxpayer may make payments using this method by authorizing their bank to withdraw the tax payment from the taxpayer's deposit account and transfer it to the state's account. In order to pay using

this method, you must have previously established a relationship with a bank that provides this service (generally larger commercial banks) and you must have previously registered with the Maine Revenue Services EFT Unit as a credit method payer.

**ACH Debit.** A taxpayer may make payments using this method by authorizing Maine Revenue Services to electronically transfer tax payments from the taxpayer's deposit account to the Maine Revenue Services Deposit account. The authorization is initiated through a telephone call to the MRS electronic withdrawal payment system. This telephone payment system allows taxpayers to arrange for debit payments with effective dates up to 15 days in the future. The amount due shown on the return you filed will be deducted from your account within 3 business days from the date you authorize the transfer.

**Penalty for Insufficient Funds.** The penalty for insufficient funds applies to electronic funds transfers. The penalty is \$20 or 1% of the payment amount, whichever is greater.

**Penalty for Failure to Pay by Electronic Funds Transfer.** Any person required to pay by electronic funds transfer who fails to do so is liable for a penalty equal to the lesser of 5% of the tax due or \$5,000.

For more information, an application, or a copy of MRS Rule 102, visit [www.maine.gov/revenue](http://www.maine.gov/revenue) and select Electronic Services; send an e-mail to [efunds.transfer@maine.gov](mailto:efunds.transfer@maine.gov); send a FAX to (207) 287-6975; call 207-287-8276; or write to: EFT Unit, Maine Revenue Services, PO Box 9100, Augusta, ME 04332-9100.

## FILE WITHHOLDING RETURNS ON THE INTERNET!

Maine employers may file their Income Tax Withholding returns on the internet. However, all amended returns must be filed on paper.

The newly upgraded system is designed to provide filers with a convenient and secure method of electronically filing quarterly returns. The system will pre-fill the semiweekly payment schedule and the employee withholding information, which reduces the time it takes you to file your return. If you maintain withholding data using software capable of exporting an Excel file, you may choose to complete Schedule 2 by uploading a file containing the required information.

Employers or non-wage filers with 100 or more employees and payroll processors with 100 or more employer-clients are required to electronically file quarterly returns effective for the first quarter of 2006.

The option of electronically filing just the Schedule 2 detail is no longer available for 2006. Returns are to be filed entirely using a single method (paper returns, the internet or magnetic media ICESA application). See [www.maine.gov/revenue](http://www.maine.gov/revenue) for details.

The Maine Revenue Services I-File program uses 128-bit encryption and secure socket layer technology to ensure the data you enter and send remains secure. Internet Explorer 4.0 or better or Netscape 4.0 or better is required.

For more information or assistance with filing via the internet, please call the Withholding Line at (207) 626-8475, select 1, then option 4 on the menu.

## GENERAL INSTRUCTIONS

**Returns must be completed and filed with Maine Revenue Services each quarter according to the following schedule:**

<u>Quarter</u>	<u>Period Covered</u>	<u>Due Date</u>
Quarter 1 .....	01-01-06 to 03-31-06 .....	05-01-06

**Note:** A return must be filed each quarter, even if you had no income tax withheld for that period. Each page submitted must have your Withholding Account Number clearly printed at or near the top of the page. Do not write notes on the withholding listing pages.

Form 941ME is used to report total income tax withheld for the quarter and to reconcile 900ME voucher payments during the quarter, if applicable. If you also make, or expect to make, Unemployment Insurance Contributions, call the Central Registration Unit at 207-287-2338 to request the appropriate combined withholding tax and unemployment contribution booklet (Form 941/C1-ME).

Each quarterly return in this booklet is preprinted with the quarter being reported, due date, Withholding Account Number, calendar period covered and business name(s). An extra quarterly return with the quarter being reported and calendar period covered left blank is provided for use if you make an error while you are completing a quarterly return. Generally, your withholding account number consists of your federal employer identification number plus a two-digit state suffix, but some accounts are set-up with your social security number plus a two-digit state suffix.

When a business terminates or the requirement to withhold permanently

ceases, complete the Cancellation Notice on the bottom of any quarterly return.

When using a paid preparer or payroll processor, enter their federal employer identification number (EIN) and Maine payroll processor license number in the designated fields.

If there has been a change in the name, address, telephone number or any other information related to this form, submit a Name and Address Change Form (Form 941/C1C-ME on page 3). We will correct our records and provide new Forms 941ME and 900ME payment vouchers, if necessary. Do not make changes on Form 941ME. If your current Federal Employer Identification Number (Maine Withholding Account Number) changes, call the Central Registration Unit at 207-287-2338.

If it is necessary to correct a withholding tax amount you reported or made for a particular employee or payee in a previous quarter, submit an amended return (Form 941A-ME) for that period along with an explanation of the change. We will correct your account for the period involved. Do not make an adjustment on the current Form 941ME.

Direct any questions regarding this form or income tax withholding in general to Maine Revenue Services at telephone number 207-626-8475, select 1, then option 4.

**Interest and Penalties.** Beginning January 1, 2006, interest is charged at an annual rate of 10%, compounded monthly, on the unpaid withholding tax. The penalty for failure to pay the withholding tax on time is 1% per month up to a maximum of 25%. The penalty for failure to file the return on time is 10% of the tax liability or \$25, whichever is greater. If the return is filed more than 30 days after demand, the penalty is 100% of the tax due.
